Movie Matinee - Special Features & M*A*S*H Sunday, April 29 – 6:00 PM

M*A*S*H is set in a surgical hospital just behind the front lines in Korea. The surgeons work rapidly making their work possible by pretending they don't care. And when they are at last out of the operating tent, they devote their lives to remaining sane. We laugh, not because "MASH" is Sgt. Bilko for adults, but because it is so true to the unadmitted sadist in all of us. Most comedies want us to laugh at things that aren't really funny; in this one, we laugh precisely because they're not funny. We laugh, that we may not cry.
