

# For Veterans who served during The Gulf War...

Throughout January 2017 our event sponsor - Humana, Racine Area Veterans, Inc., (RAVI) and The Veterans Center

will have events to recognize and acknowledge Veterans from Racine who served in the US Military since August 1990

If you have a picture with brief biography or artifacts you or your families wish to email or bring to The Veterans Center, we will exhibit the pictures and bios during the month and during special events, and display artifacts as time and space allow.
